LEGEND

CODE	MEANING
A	Price set to enable a contribution towards the cost of providing the service. Balance of costs are met from General Fund. In setting the price, Council recognises a community need for the good/service and the fee must be set at an affordable level.
B	Price set to recover the annual operating and maintenance costs.
C	Price set to recover all costs.
D	Price set to recover costs and generate an appropriate rate of return on capital investment.
E	Price set by reference to prices charged for similar goods/services provided by like Councils.
F	Max price set by regulation. Council has adopted a charge below this.
G	Price set by regulation/statute.
H	Fine set to remind rather than penalise. Revenue raised is insignificant.
I	Fine set by regulation/statute.
J	The charge for these contributions is determined in accordance with Council's Section 94 Contributions.
