### **1. Purpose**

Dumping of waste materials at the receival locations of charities (i.e. St Vincent De Paul and the Salvation Army etc), along with usable items, is reportedly increasing and, in turn, creating a burden upon those charity organisations in delivery of their services to the disadvantaged among the community. This type of dumped material is described as 'orphaned waste'. Council has developed this policy to provide fee relief from waste disposal charges to assist not- for-profit community groups that run opportunity stores for the sale of second hand and reusable items.

### **2. Scope**

Council recognises that charitable organisations provide the community with significant social benefits, while helping to divert valuable resources from being sent to landfill. By operating these charity services, charitable organisations are often burdened by the costs of disposing of illegally dumped, unusable waste items deposited at charity bins. This Policy aims to assist charitable organisations in delivering their services to the community by eliminating waste fees applicable for waste disposed at the Gunnedah Waste Management Facility only.

### **3. Definitions**

- 3.1 10 Year Community Strategic Plan means the community strategic plan of the Gunnedah Shire Council adopted on 21 June 2017.
- 3.2 Charitable organisation means not-for-profit, have only charitable purposes that are for the public benefit, not have a disqualifying purpose, not be an individual, a political party or a government entity.
- 3.3 Council means Gunnedah Shire Council.
- 3.4 Eligible Charitable Organisation has the meaning set out in paragraph 5.1.1 of this Policy.
- 3.5 Hazardous or Offensive Waste means asbestos, fiberglass, clinical waste and other waste items that have the potential to be harmful to human health or the environment.

#### **4. Policy principles**

This policy applies to general solid waste being transported to Gunnedah Waste Management Facility by any not-for-profit organisation as a charitable organisation and which is involved in the operation of opportunity shops located within the Gunnedah Shire. As a minimum this policy should be read in conjunction with Section 356 of the Local Government Act.

#### **5. Policy statement**

To assist those not-for-profit community organisations in delivering their services Council has endorsed the following guidelines for fee relief from annual waste disposal fees:

##### **5.1 Guidelines**

5.1.1. To ensure transparency and accountability, eligible organisations must qualify for fee relief by providing evidence that the major function of their business or operation satisfies the following criteria:

- a) A service for the relief of poverty within the Council area; or
- b) A voluntary service for the betterment of community welfare;
- c) A not for profit organisation or non-government organisation;  
or
- d) An organisation that is registered as a charitable organisation.

5.1.2 To ensure adequate records are maintained for this service, an eligible charitable organisation must complete and submit the relevant application form annually.

5.1.3 Exemptions remain contingent on the applicant ensuring, in so far as is reasonably practical, that materials are sorted and deposited so as to enable recycling and/or resource recovery as provided at the Gunnedah Waste Management Facility:

5.1.4 A \$1000 value shall be set for the exemption. The Applicant will be liable for relevant disposal fees for any waste deposited at the Gunnedah Waste Management facility once the exemption value has been exceeded.

5.1.5 An exemption can and will be revoked if waste has not been generated in accordance with 5.1.1

5.1.6 Each completed application will be assessed by the Director of Planning and Environment Services in accordance with this Policy.

5.1.7 A charitable organisation will have no fee relief from waste disposal fees unless and until that organisation has received written notification from the General Manager confirming the success of its application.

5.1.8 Fee relief for the disposal of hazardous or offensive waste is not available under this Policy. Disposal of hazardous or offensive waste will be charged as per Council's Waste Disposal Fees and Charges Schedule. If hazardous waste or offensive waste is disposed of, the right to withdraw any Eligible Charitable Organisation's approval will be exercised.

5.1.9 The total value of support to one particular charitable organisation or not-for-profit group in any one year (financial year) shall not exceed \$1000.

a) Exemption from mixed waste disposal fees only granted on Clean-Up Australia Day Campaign or other advertised clean up events approved by Council

b) Upon application, registration numbers of private vehicles being used to transport & dispose of waste seeking exemption from fees at Gunnedah Waste Management Facility are to be provided to Council.

5.1.10 In the event of a dispute over any aspect of this Policy, immediate action will be taken to resolve the situation through effective and constructive consultation between the parties concerned. If a resolution cannot be reached, the General Manager will have the final determination on the matter.

## **6. Accountability, roles and responsibilities**

6.1 The General Manager is authorised, pursuant to Section 377 of the Local Government Act 1993, to allow a matter that does not conform with a policy to proceed if the General Manager is of the opinion that the variation from the Policy is of a minor nature.

### **6.2 Policy Custodian – Manager Waste**

Council's Manager Waste is the officer accountable for managing Policy compliance, initiating the Policy review process, internal auditing requirements, and has responsibility for all aspects of Policy implementation, unless appropriately delegated to another officer.

### **6.3 Responsibilities**

The Planning and Environment Department (Waste Section) is responsible for implementing this Policy and for ensuring that this Policy is adhered to in a consistent manner.

The Manager Waste is responsible for making this Policy readily available to community members and staff on request.
